WHAT'S IN THE REVISED INFOGRAPHIC?

- To reflect the significant challenges and blessings shared by Ed Shirk (board president) on behalf of the camp board, what began as one project has now become two projects (Pleiades Building Project and Water Projects).
- The infographic (blending of image with information) above represents the simultaneous need to raise money for each project (depicted side by side). The increased financial need of the Pleiades Building Project is now at an estimated \$500,000 and the financial need of the Water Project to benefit from the spring water source is at an estimated \$100,000 for a total of \$600,000.
- As both projects are being achieved together, the horizontal blue line in the graphic representing "WHAT'S STILL NEEDED" and "WHAT'S BEEN GIVEN" will move at the same time.
- Donations received each week will advance the solid blue line representing the generosity of so many (sometimes when needed most)! May God bless each gift and each giver in support of the Rocky Mountain ministry.

Please join us in making this project possible!
