## RMMC Vision 2020 Weekly Update Pleiades Building Project

November 1, 2014

**IT'S CRUNCH TIME** related to the weather and the project. Old man winter has amazingly extended his "vacation" given the warm and snow free weather we've had to this point. This week and next week are **CRITICAL** to move the project ahead to be able to shed snow and keep moisture out of the building. If anyone has been thinking about coming to volunteer, **NOW IS THE TIME** so hope to see you here!

### WHAT'S BEEN DONE

#### *BUILDING PROJECT*

- Install second floor decking (subfloor)
- Second floor exterior walls (with exterior sheathing already on) erected up to staff apartment side (almost 3/4 done)
- Rafters for roof were delivered and unloaded
