THANKS SUMMER STAFF 2013

29 different personalities + 13 different home states + 12 different colleges = one great summer staff! The work that gets done each summer (food served, toilets cleaned, fences mended, campers cared for, phones answered) is only possible with a great crew of summer staff. Of course we had a lot of fun together too - work hard, play hard! So thanks, summer staff, for being the eyes, ears, hands, and feet of Jesus Christ!

SUMMER STAFF REFLECTIONS

I thoroughly enjoyed my summer out at RMMC. Coming out to the mountains from the midwest was more than just a change of topographical scenery. What I found was new and deepened relationships with summer staff, permanent staff, and campers of all ages where I was able to learn from and with them. The summer days and nights filled with hiking, music, and thoughtful and fun conversations alike made it a summer I won't soon forget. For allowing the space for me to learn about others, God, and myself, thanks RMMC. - David Zehr

When I applied for the job I intended to give away my time and energy for the summer not expecting much in return. For the most part I was giving more of myself away than I ever had to before, but I gained more than I could even imagine. I learned a lot about myself, gained many good friends, memories, and experiences, and grew in my faith and learned a lot about Mennonite culture and background. The summer was truly transformative and the best summer I can remember.

YOU'VE BEEN SPOTTED!

We spotted Carmen Selzer (Sharon Springs, KS) wearing her RMMC shirt. Carmen, picture here with her husband Todd, was playing Couples Bunco. Carmen and her family have been participants in Family Camp for a number of years and have also volunteered at camp multiple times. Thanks, Carmen, for sharing RMMC and hopefully you won the game, too! Share your "spotted" photo with us. Email it to jenelle@rmmc.org.
