## JUNIOR HIGH SNOW CAMP

The weather was great for the annual Western District / South Central / Mountain States conferences' Junior High Snow Camp. RMMC hosted 100 junior youth and sponsors from Colorado and Kansas. The energy from the kids was contagious as they ran around excited to be at camp. Joe Wuest (Goessel, KS) was the speaker for the weekend speaking from the topic of being dead to sin and alive in Christ (Romans 6:11). The weekend also hosted the MennOlympic games of 2014! The youth formed ten different countries, created a mascot for their team and participated in six different outdoor events earning points for their country. Ice Limbo is pictured to the left. As a good summary of the weekend, one youth wrote, "Learned about God while having fun." For more pictures, visit our facebook page.

## DID YOU KNOW?

**NOW BREWING:** organic fair trade coffee! Camp has searched for, and finally found, an organic fair trade coffee that can be served to guests and enjoyed during meal times. The next time you are here for a meal, be sure to sample some coffee and tell us what you think. Also available is the Keurig machine for guests to use by purchasing a k-cup provided at camp or bringing their own along. Coffee lovers have a wide range of taste buds, so hopefully these new options will allow all to enjoy their cup of coffee.

## YOU'VE BEEN SPOTTED!

We spotted Anna Nafziger (Goshen, IN) wearing her RMMC t-shirt in Argentina this past December. She was in Argentina visiting her brother who was studying abroad. Anna served as assistant program director this past summer and brought lots of laughter to our campers and staff. Thanks, Anna, for sharing RMMC with Argentina! Share your "spotted" photo with us. Email it to [jenelle@rmmc.org](mailto:jenelle@rmmc.org).
