SENIOR HIGH SNOW CAMP

It was another successful snow camp season. Two senior high camps, each with about 60 youth and sponsors, enjoyed playing in the snow and on the frozen pond. Worship times were led by Scott Roth, a youth minister from eastern Pennsylvania. He challenged the youth to have Jesus at the center of their life and to make a difference in their communities. Broomball, tubing, and just being outside in the snow were a highlight for many.

MOUNTAINTOP EXPERIENCES AT CAMP

Resident campers have the unique privilege of getting to explore God's Creation right in our own backyard. Many enjoy hiking because of the view from the summit and the sense of accomplishment of reaching the top. An easy, medium, and hard level of hikes are offered each camp week, with difficulty rated appropriately for each age level. Hikes to Raspberry, Pig Rock, Baldy, Solution Pools and Prehistoric Valley are very popular. Also offered for each age group are hike alternatives, such as rock climbing and rappelling, for those who choose to do something other than hike. The hike alternatives also give campers a great opportunity to try a new challenge while at camp.

YOU'VE BEEN SPOTTED!

We spotted the Longacher family (Castle Rock, CO) all wearing an RMMC shirt. The Longachers are pictured here working with MDS on homes that were damaged by the floods in northern Colorado (Loveland area). Thanks, Longachers, for being a family billboard for RMMC! Share your "spotted" photo with us. Email it to jenelle@rmmc.org
