COMMUNICATING WITH YOU

RMMC enjoys staying connected with you and your family through various forms (camp website, Facebook page, printed publications) and now we hope to share news with you through email. New this month, we are emailing this monthly update to our constituents and also continuing to include it in the Mountain States Mennonite Conference's monthly newsletter. In order to stay in touch with you this way, we appreciate having your updated contact information. We hope you enjoy hearing news about the RMMC ministry, your place of retreat in the Colorado Rockies!

FAMILY CAMPS

Family Camps at RMMC offer the perfect opportunity for your family to get away from the regular schedule of life and enjoy some quality time together. Hikes, the Boat Race, morning devotions, arts and crafts, kayaking, tie-dye, rock climbing and rappelling, and campfire worship times are just a few of the great things families do together during camp. Activities are family oriented so that kids and adults can participate

together. Space is still available in the campground for families to attend Family Camp I (July 20-25) or Family Camp II (July 27 - August 1). Call camp today to register (719-687-9506).

YOU'VE BEEN SPOTTED!

We spotted Lindsey Reed (Denver, CO) wearing her RMMC shirt. Lindsey served as a wilderness counselor in 2012 where she led many activities including the one we spotted her doing here - rock climbing. Thanks, Lindsey, for sharing RMMC with your rock climbing friends! Share your "spotted" photo with us. Email it to jenelle@rmmc.org
