New Responsive Design Website

We recently launched a new website design at rmmc.org. With the increase use of mobile devices and various screen sizes, this new design allows for the site to respond according to the device you are using. It's new features are intended to make browsing simpler and help you find information quicker. Even though we are on a mountain side with limited technology available to us, we think it's great to have a modern and functional website. A big thank you to Kevin Wilder and Lauren Weaver for their hours of labor in designing and implementing this new website.

Online Registration - Updated and ready to use!

The database host that RMMC uses for registrations and camper information (CampBrain) has recently updated their online registration seeking to improve and streamline the registration process. When registering for a retreat or camp this year, you'll notice a slightly different (hopefully simpler) process. You'll still get the same great camp

Don't forget about the different pricing breaks we offer for summer youth campers.

Register before March 1 and receive a \$40 discount for any summer youth camp. Save \$20 if you register between March 1 and May 31. So get online to register today!

You've Been Spotted!

We spotted James Eubank (La Junta, CO) wearing his RMMC sweatshirt and eating a bratwurst at the Christmas Market in Frankfurt, Germany. James visited Germany this past December while on his way to Ukraine. Thanks, James, for sharing RMMC with Germany!

Share your "spotted" photo with us. Email it to jenelle@rmmc.org
